Automobile information: Because of BSA requirements, we **MUST HAVE ALL** of the following information on any car used on any scout outing. If there is the slightest chance you might drive for a troop outing, please provide the information. Also, let us know if there are any changes during the year. All vehicles must be covered by a public liability and property damage liability insurance policy. The amount of the coverage must meet or exceed the insurance requirements of the state in which the vehicle is licensed. (It is recommended that coverage limits are at least \$50,000/\$100,000/\$50,000). Any vehicle carrying ten (10) or more passengers is required to have limits of \$100,000/5300,000/5100,000. In the case of rented vehicles the requirement of coverage limits can be met by combining the limits of personal coverage carried by the driver with coverage carried by the owner of the rented vehicle. All vehicles used in travel outside the United States must carry a public liability and property damage liability insurance policy that complies with or exceeds the requirements of that country.

Limits of Auto Insurance Liability
